The best part about this upcoming San Francisco fashion show (besides, of course, local retailers showcasing their latest and greatest)? Dogs on the runway! We hear there will be some special four-legged models donning sweet collars and haute hoodies alongside the 30 or 35 looks culled from sources such as Dema, True, Loyal Army and The Mission Statement.

Proceeds benefit [Rocket Dog](#), a local non-profit that does amazing work helping dogs-in-need find homes (including one of ours, where five-year-old Dixie has ruled the roost since being adopted from the organization as a puppy).
